Radio and Control Tower (T-65, Building 4500)
Northeast of A Street
Boron Vicinity
Kern County
California

HAER No. CA-170-T

Photographers' Credits:

Credit BG: Brian Grogan, Photography and Preservation
Associates, Inc., September 1995

Credit USAF: Photocopy of original United States Air Force
photograph; photographers' names not determined, dates as
cited

- CA-170-T-1** Credit USAF, ca. 1945. Original housed in the
Photograph Files, AFFTC/HO, Edwards AFB,
California. Early view of the Control Tower
(designated T-65, Building 4500) fitted out with
radio antennae. Structure at base of tower was T-
42 (later Building 4503), Flight Operations.
- CA-170-T-2** Credit BG. View looking north northwest (324°) at
Control Tower, in context with Building 4505 at
right. Shed beneath tower is Building 4501; to the
immediate left is an unnumbered structure.
